Re: Proposed traffic ordinance changes related to the 2013 Washington Street Reconstruction Project

The following traffic-related ordinance changes are necessary to implement the approved plans for the 2013 Washington Street Reconstruction Project (between Oneida Street and Morrison Street).

To accomplish this, the following ordinance action is required:

1. **Create:** "Stopping be prohibited, except for city buses, on the north side of Washington Street from Oneida Street to a point 122 feet west of Oneida Street."
2. **Create:** "Stopping be prohibited, except for commercial trucks loading and unloading, from 8 a.m. to 3 p.m. Monday through Friday, on the east side of Oneida Street from Washington Street to City Center Street."
3. **Create:** "Stopping be prohibited on the north side of Washington Street from Oneida Street to Morrison Street."
4. **Create:** "Parking be metered on the south side of Washington Street from Oneida Street to a point 115 feet east of Oneida Street."
5. **Create:** "Parking be prohibited on the south side of Washington Street from a point 115 feet east of Oneida Street to a point 100 feet west of Morrison Street."
6. **Create:** "Parking be metered on the south side of Washington Street from Morrison Street to a point 100 feet west of Morrison Street."
