RE: Notification of Award of Contract for 2016 Bridge Inspections to Collins Engineers, Inc., in an amount not to exceed \$30,000.

The State of Wisconsin requires that the City inspect, record and report to the State on the condition of its bridges every two years. The Department of Public Works requested proposals from four qualified Wisconsin consulting firms. The City received two qualified proposals from AECOM Technical Services, Inc. and Collins Engineers, Inc.

Collins Engineers, Inc. demonstrated the related experience and personnel necessary to complete the required tasks. In addition, they also demonstrated a good project understanding and approach. Collins Engineers' team leader, Steven Miller P.E., recently served as the City's consultant bridge engineer for the state mandated dive inspections. He provides an excellent service and a detailed understanding of the City's bridges.

Therefore, staff recommends award of the 2016 Bridge Inspection Services Contract to Collins Engineers, Inc. in an amount not to exceed \$30,000.00
