On Monday march 3<sup>rd</sup>, I received a phone call from are landlord saying she got a ticket for 75.00 because we didnt ~~shovel~~ shovel are sidewalk, and we allweess shovled, because it was not shovled is we were out of town Friday intill Monday morning, we think we knew who called, also were the only ones on this side of the Block that do shovel the police that sit across the street see's me out there shulvinling all the time.

So we are trying to appial this because its not fair we were not here, the lady that lives on the next block comes and walks her dog and poops infront of are house and leaves the dog poop for us to clean up.
