

DPW Parking Utility Revenue Monthly Summary

This dashboard shows the visualization of parking revenues for the City of Appleton. "Actual 2022" and "Actual 2023" data is the year-to-date reflection of the month selected with the "Month" filter. Monthly totals reflect the **cumulative, year-to-date** revenue through the selected month. "Budgeted 2023" is reflective of the Budget for the entire year, not just the months selected with the "Month" filter.
