The Department of Public Works is hereby recommending that all bids for Unit Y-13, WWTP Storm Sewer Reconstruction be rejected due to insufficient budgeted funds in comparison to the low bid amount. Bids were opened on Monday, December 9, 2013. The following is a summary of the bids received:

<u>Bidder</u>	<u>Bid Amount</u>

The approved 2013 budget for this project was \$1,827,386.00. It is our intention to carry these funds over to 2014 and re-bid the project later in 2014 with either a modified project scope or supplemental fund balance from other 2014 projects, if such a positive fund balance develops.

Thank you for your consideration.
