## Save the Date

In 2016, you asked for a renovated library – we listened! **Now, we want to hear from you again.**

Come check out the renovated library and provide input for Appleton's future at our second family friendly workshop for Plan Appleton. We'll share what we have learned since our open house last November, dive deeper into opportunities, and test recommendations. Presentations will be given at the top of every hour followed by activities to learn more from you. See you there!
