Hi Josh,

I will put this on the April 28<sup>th</sup> Municipal services Committee meeting. I need how far the existing awning sticks out into the street right-of-way in order to include the request on the agenda.

Thanks!

Paula Vandehey, P.E.  
Director of Public Works  
City of Appleton

Paula:

I received a revised request for a sign at Bazils, 109 W. College Ave.

The applicant would like this to be on the April 28<sup>th</sup> Municipal Services Committee agenda.

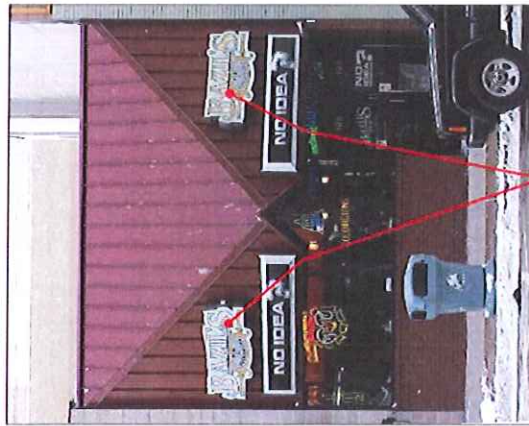

The proposed sign is more than four feet into the ROW.

Thanks.
