APPLETON PARKS AND RECREATION

OUT IS IN BINGO CONTEST

Since 1985, America has celebrated July as the nation's official Park and Recreation Month. We want 2014 to be the year people go outside, change their outlook, and get involved in their community through parks and recreation. How can you do this? Get outside and take the challenge to explore the parks and amenities our city has to offer!

Out is In BINGO is just the way to do this! All you have to do is use the Out is In BINGO card and attain BINGO. There are 5 "free" spaces – the "FREE SPACE, B, I, N, G and O. The various ways you may achieve BINGO are, 4 corners – covering the top right and left corners as well as bottom right and left corners, cover 5 squares in a row vertically, or cover any 5 squares in a row (horizontal or diagonal). Although you cannot use BINGO as 5 squares horizontally for BINGO!

For a listing of parks, visit our website at www.appletonparkandrec.org, select "Parks, Pavilions and Trails". You may find some great tips as to which parks to visit as you take the Out is In BINGO challenge.

Once BINGO has been attained, submit the completed BINGO card to heidi.erickson@appleton.org or Appleton Parks and Recreation, Attn: Heidi Erickson, 1819 Witzke Blvd., Appleton, WI 54911. Entries must be submitted by Monday, August 4 in order to be considered for the prize drawing.

If you have questions or concerns, please contact Heidi Erickson at 832-3927 or email heidi.erickson@appleton.org.

Get outside this July and remember "Out is In"!
