Re: Informational: Awarded contract for Wastewater Treatment Plant electronically controlled security gate entrance system.

The 2014 Capital Improvement Budget includes money to provide fencing and entrance gate repairs/ replacements at the Wastewater Treatment Plant. This memo informs the Committee of the contract awarded to Security Fence Company Inc. The quotes came in as follows:

- Security Fence Co. Inc.- \$11,775.00
- Fortress Fence Co.- \$12,125.00
- American Fence Co.- \$13,482.00

This project is part of the Grounds Improvements Capital Improvement Budget of \$30,000 for fence/entrance gate repairs for the Wastewater Treatment Plant grounds.
