LIMITED LICENSE AGREEMENT

This Limited License Agreement (the "Agreement") is made by and between the City of Appleton Redevelopment Authority ("Licensor") and The Boldt Company, 2121 East Capitol Drive, Appleton, WI 54911 ("Licensee").

RECITALS

WHEREAS, Licensor is the fee owner of a vacant parcel of land located south of West Franklin Street, east of North Appleton Street and immediately north of the Valley Transit Transit Center in Appleton, Wisconsin.

WHEREAS, Licensee desires to use a portion of the aforementioned parcel (the "Licensed Area"), generally as identified on the attached Exhibit A, for staging job boxes and temporary storage of materials and equipment.

WHEREAS, Licensor is willing to grant and Licensee wishes to receive a revocable, limited, non-exclusive license over the Licensed Area for the benefit of Licensee all as more fully set forth herein.

AGREEMENT

NOW, THEREFORE, the parties agree as follows:

- 1. The license granted herein to Licensee shall commence on the date of full execution of this Agreement and terminate on September 30, 2024 (the "Term") unless extended by mutual agreement.
- 2. Licensor hereby grants to Licensee a non-exclusive limited license to enter upon the Licensed Area during the Term solely for the purpose of staging job boxes and temporary storage of materials and equipment, and for no other purpose without the prior express written consent of Licensor. Licensee acknowledges and agrees that any and all activities conducted by Licensee or Licensee's employees, agents, representatives or contractors shall be solely at the risk of Licensee. Notwithstanding the foregoing, Licensor has the right to terminate this Agreement without cause on ten (10) days' prior written notice to Licensee.
- 3. In exchange for other good and valuable consideration, Licensor waives any fee owed by Licensee for the initial term of this Agreement.
- 4. Licensee shall, without any cost to Licensor, provide all planning and arrangements for, and conduct the due diligence investigations and all of its associated physical preparations and activities for all activities on the Licensed Area. For all activities carried out on the Licensed Area pursuant to this license and this Agreement, Licensee shall provide adequate security, personnel and management so that such activities shall be carried out without material damage to any property (including Licensor's property), injury to persons or impairment to the environment. Licensee shall conduct all activities on the Licensed Area, and shall cause its employees, agents,

representatives and contractors to conduct their activities on the Licensed Area, with due care for the health and safety of persons and the protection of property and the environment.

- 5. Licensee agrees not to cause or permit any lien to be filed against the Licensed Area and shall indemnify and hold Licensor harmless from and against any and all such claims and liens arising out of the activities of Licensee, its employees, agents, representatives, contractors, subcontractors and the like at or upon the Licensed Area.
- 6. Licensee shall, at its sole cost, obtain and maintain in effect all licenses, permits, consents and authorizations of federal, state and local authorities which may be necessary, required or appropriate for all activities of Licensee and its employees, agents, representatives and contractors at or upon the Licensed Area.
- 7. Licensor makes no representations, warranties or covenants of any nature whatsoever regarding the condition of the Licensed Area or its suitability for the activities planned by Licensee, and Licensee accepts the Licensed Area in "as is" condition with all faults latent or apparent. Licensee agrees that Licensor shall not be required to undertake or exercise any duty of care or other safeguards with respect to the Licensed Area or for the safety of persons or for the prevention of damage to property in connection with any activities of Licensee on or about the Licensed Area.
- 8. Any equipment, materials or facilities temporarily placed on the Licensed Area by or for Licensee shall be installed, kept and maintained by Licensee in a safe and secure condition and in compliance with all applicable federal, state and municipal laws, regulations, ordinances and orders. All activities of Licensee and its employees, agents, representatives, contractors and subcontractors on and about the Licensed Area shall be conducted in compliance with all applicable federal, state and municipal laws, regulations, ordinances and orders.
- 9. At all times during the Term, Licensee shall keep the Licensed Area and everything thereon in a clean, safe and orderly condition and shall keep the Licensed Area and its surroundings clean and free from trash, rubbish, waste and debris. Before expiration of the Term, Licensee shall remove all materials, equipment, personal property and other items of any nature which were placed or brought upon the Licensed Area by or for Licensee; and Licensee shall leave and surrender the Licensed Area in the same or better condition as it was in at the beginning of the Term, including without limitation fixing any ruts, reseeding and periodic watering of the Licensed Area until grass is reestablished. If any repairs or restoration should be necessary in order to return the Licensed Area or any part thereof to such condition, such work shall be promptly performed by Licensee, at its sole cost and to Licensor's satisfaction.
- 10. Licensee shall not cause or permit any Hazardous Substance to be used, stored, generated or disposed of on or in the Licensed Area by Licensee, Licensee's agents, employees, contractors or invitees, without first obtaining Licensor's written consent. If Hazardous Substances other than those approved by Licensor herein are used, stored, generated or disposed of on or in the Licensed Area, or if the premises become contaminated in any manner for which Licensee is liable, Licensee shall indemnify and hold harmless Licensor from any and all claims, damages, fines, judgments, penalties, costs, liabilities or losses (including, without limitation, a decrease in

value of the premises, damages due to loss or restriction of rentable or usable space, or any damages due to adverse impact on marketing of the space, and any and all sums paid for settlement of claims, attorney fees, consultant and expert fees) arising during or after the Term and arising as a result of such contamination by Licensee. This indemnification includes, without limitation, any and all costs incurred due to any investigation of the site or any cleanup, removal or restoration mandated by a federal, state or local agency or political subdivision. Without limitation of the foregoing, if Licensee causes or permits the presence of any Hazardous Substance on the Licensed Area and such result in contamination, Licensee shall promptly, at its sole expense, take any and all necessary actions to return the Licensed Area to the condition existing prior to the presence of any such Hazardous Substance on the Licensed Area. Licensee shall first obtain Licensor's approval of any such remedial action. As used herein, "Hazardous Substance" includes any and all material or substances which are classified as "hazardous waste," "extremely hazardous waste," "hazardous materials," "hazardous substance," or any equivalent classification pursuant to state, federal, or local governmental law.

- 11. At its sole cost, Licensee shall procure Commercial General Liability Insurance and shall maintain it in force and effect throughout the Term of this Agreement. This insurance shall insure Licensor and Licensee from all claims, demands, or actions made by or on behalf of any person or entity arising from, related to, or connected with the conduct and operation of Licensee's business on the Licensed Area. This insurance shall have minimum limits of not less than a Combined Single Limit for Bodily Injury, Property Damage and Personal Injury Liability of \$2,000,000 per occurrence and \$3,000,000 aggregate. This insurance shall be the Primary Policy for any and all claims arising out of or relating to Licensee's use of the Licensed Area. Prior to occupying the Licensed Area, Licensee shall furnish Licensor with certificates showing compliance with this provision and naming Licensor as a primary and non-contributory additional insured. In addition, throughout the Term Licensee shall maintain any and all worker's compensation insurance required by statute.
- 12. Licensee shall be liable for, and shall defend, indemnify and hold harmless Licensor, its officials, directors, officers, employees and agents (collectively, the "Indemnitees"), from and against any and all liability, claims, suits, judgments, damages, losses, costs and expenses (including costs of defense and reasonable attorney's fees), which any or all of said Indemnitees may suffer, incur, be exposed to, be responsible for or pay, on account of any injury to or death of any person, or damage to or loss or destruction of any property, to the extent caused by Licensee (or any of its employees, agents, representatives, contractors or subcontractors) and arising out of or in connection with this License or the exercise of any license or privilege herein granted or the conduct of any activity on or about the Licensed Area or any act or omission of Licensee (or any of its employees, agents, representatives, contractors or subcontractors).
- 13. This Agreement is an independent agreement between the parties hereto and it shall not be deemed or construed to be an agreement to lease or purchase the Licensed Area.
- 14. Licensee may not and shall not assign this Agreement or the license and privileges hereunder, or delegate any of the Licensee's duties and obligations hereunder,

without the prior written consent of Licensor and any attempted assignment or delegation without such prior written consent of Licensor shall be void.

- 15. Licensee consents to Licensor's agents being granted access to the licensed area for the purpose of testing, maintaining, inspecting or removing monitoring wells located within the Licensed Area. Access shall be granted as soon as practicable upon request. Licensee also agrees to coordinate its use of the Licensed Area with Licensor's agent to ensure that access wells remain accessible.
- 16. This Agreement shall not become effective or binding unless and until it has been signed by or on behalf of each of the parties hereto. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Any facsimile or electronic transmission of this Agreement, signed by either or both parties hereto shall be considered to have the same legal effect as the original and shall be treated in all manner and respects as if the original had been delivered at the time of such facsimile or electronic transmission.
