

"...meeting community needs...enhancing quality of life."

**APPLETON FIRE DEPARTMENT
700 N. DREW STREET
APPLETON, WI 54911**

MEMORANDUM

To: Alderperson Kathy Plank, Chair, Finance Committee
Alderperson Kyle Loebner, Safety and Licensing Committee
Members of the Common Council

From: Len Vander Wyst, Fire Chief

CC: Paula VandeHey, Director DPW
Mike Hardy, Asst. Traffic Engineer

Date: March 17, 2016

Re: Authorization to Purchase Emergency Vehicle Preemption Equipment – Single Source

The fire department is requesting authorization to purchase under a single source vendor for speciality equipment for the Emergency Vehicle Preemption system. This project has been approved as a public safety capital improvement project for 2016. Attached you will find the updated quote from TAPCO for the appropriate equipment.

TAPCO is the authorized vendor for our area for the Opticom GPS emergency vehicle preemption system provided through Global Traffic Technologies, Inc. This equipment is the identified approved equipment for our project. The equipment will be installed as the third year of the four-year upgrade by the Traffic Engineering Division of the City of Appleton Department of Public Works.

The department would like to proceed with this purchase to get the equipment in house and available for installation based on the available time of our Traffic Engineering Division. If you have any questions, please feel free to contact Deputy Chief Reece or myself. Thank you!
