This constituent would have liked to be present at the committee meeting on Monday but he has an ankle injury. He has asked that his written input be included. He is opposed to the sidewalk and wants to save the trees.

Thank you!

Comments/Questions:

Hello Vered,

Please ask the city to reevaluate the idea of widening Owaissa street. We live at the corner of Owaissa and Opechee. We are strongly opposed to this idea. We don't understand the reasons for this effort to widen Owaissa. It would destroy a number of trees and significantly change of the neighborhood. We were not notified by the city about these plans. One of our neighbors told us about this project.

I'm asking you to oppose the plan to widen Owaissa. Please contact us.

Thank you,

Andrea and Tom Tatlock
