Paula:

Mr. Mahnke would like to apply for a variance for a driveway extension. 18 feet. Limit is 12 feet.

157 W. Seymour St.

Thanks.

Kurt,

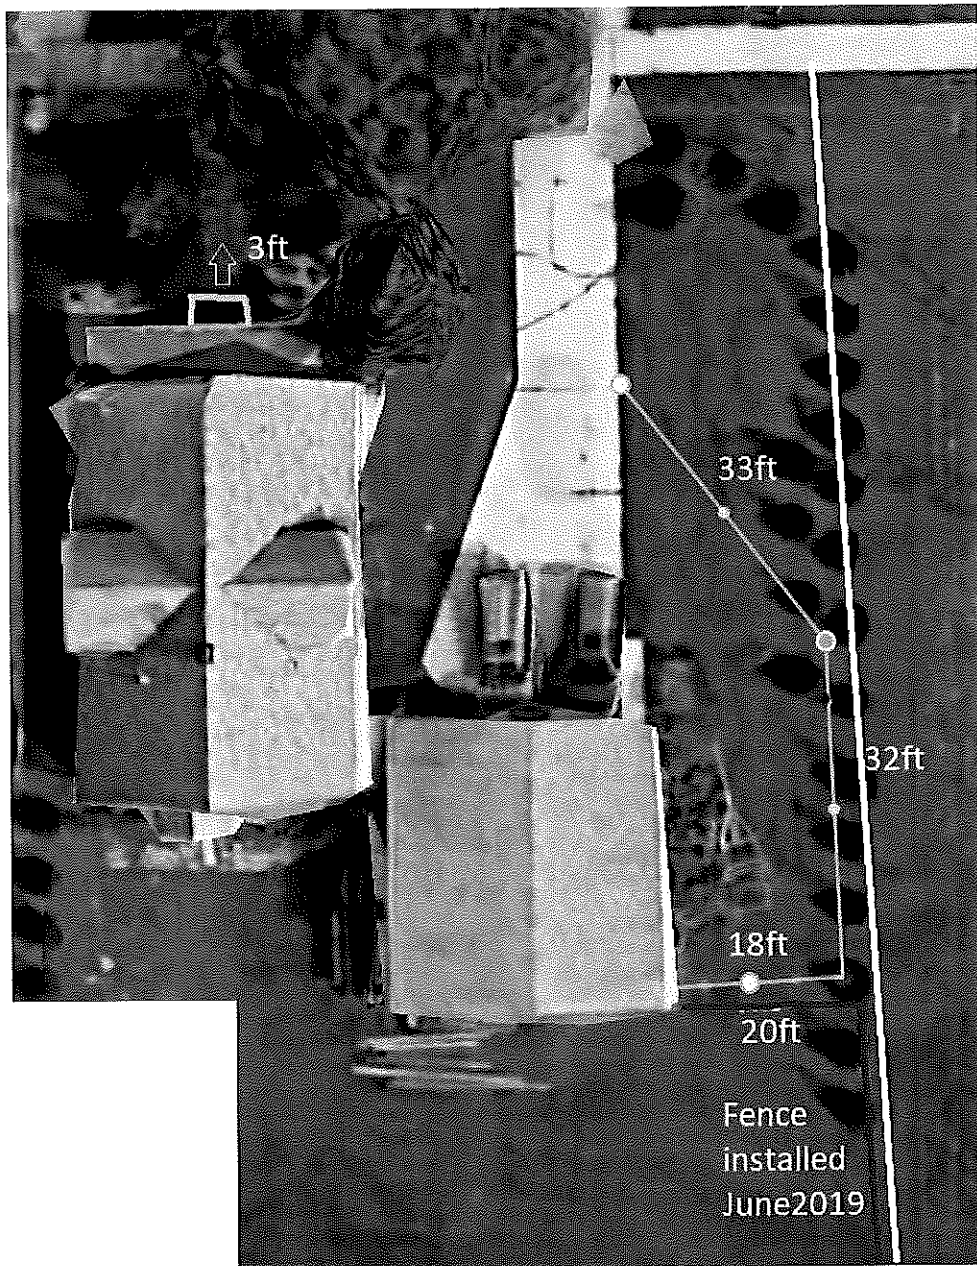

I have attached the pdf with the image showing the requested driveway extension.

Please let me know if you need any additional information.

Thanks,

Request Permit to add additional concrete on East side of garage as outlined in yellow.

Also, request to move the front steps to the house towards the street 3ft. Currently there is no landing at the top of the steps at the front door. The bottom step extends 20 ft from the sidewalk currently. After moving them forward, the bottom step will be 17ft from the sidewalk.
