WITNESSETH:

The federal government, under the authority of Title 23 CFR, section 450.310, requires an agreement between metropolitan planning organizations and operators of public-owned transit services which specifies cooperative procedures for carrying out transportation planning. The East Central Wisconsin Regional Planning Commission is the designated metropolitan planning organization (MPO) responsible for fulfilling the requirements of 23 U.S.C. 134, 135 and 409 U.S.C 5303 and 5304 and as such is the recipient of planning funds in the Appleton Transportation Management Area (TMA). This agreement is for the purpose of setting forth the duties and responsibilities between the parties with respect to cooperative efforts in planning, programming and expenditure of state funds and Federal Transit Administration funds for the purpose of planning, programming, engineering, design and evaluation of public transportation projects.

Now, therefore, the parties hereto mutually agree that:

1. Cooperation between the Appleton MPO and VT is essential with respect to the provision of public transportation to the residents in the area.

3. The role of Appleton MPO relates to planning, review and comment as provided for in the appropriate federal and state legislation.
4. This agreement does not prohibit VT from conducting independent planning and feasibility studies, as it deems necessary.
5. VT shall be represented on the Appleton MPO Technical Advisory Committee and Policy Board.

6. The term of this agreement shall be from the date of execution and extending until such time as it is officially terminated in accordance with the terms of this agreement.
7. Either party may terminate this agreement with not less than ninety (90) days written notice to the other party.
8. No changes may be made to this agreement which are not mutually agreed upon in writing between the parties.
9. Both parties hereby agree to comply with all applicable federal, state and local regulations and laws.
10. Both parties hereby agree to the updated 2019 5310 Program Management and Coordination Plan for the Appleton Urbanized Area.
