Re: Red Parking Lot Ramp Repairs
OJB Estimate No. 50873 Rev.2

Dear Paul,

We are pleased to submit our proposal for the parking ramp repairs located in the Red Parking Ramp. This proposal is per our job site walk through.

Our proposal is based on the following items:

- > Provide materials and labor to remove approximately 10 LF of sidewalk topping to expose ramp deck on level 4. Prepare and caulk any cracks or spalled concrete. Fill in 1 pothole with Emmaco. Pricing is based on providing 3 men for 2 days. **\$4,180.00**
- > Labor and material to install 2.25" wide EMSEAL Joint product that we have in stock. Boldt will install this product at **\$124/LF based on a 60' minimum.**
- > Boldt will be working straight time only.
- > If additional work is requested outside of this proposal, the cost will be tracked on a Time and Material Basis and the amount will be increased accordingly.
- > Piping, roofing, utility locates, hazardous material removal, painting, and permits are not included.

This bid shall stand as herein stated for thirty (30) days from the date entered above.

We thank you for the opportunity to submit this proposal and we hope to extend our services. Please feel free to contact me if you have any questions or concerns.

Sincerely,

Brad Berger
Project Manager/Estimator
