

To whom it may concern, 1-14-18

My name is Terry Brockman, I own my own business Brockman's Construction. I'm writing this as a recommendation for Mark Stein. Mark worked for me for just under 3 yrs. Mark is a very hard and reliable worker. He was very dependable. In those almost 3 yrs he was never late or absent. I've known Mark for 7 years and also outside of work he is a very humble down to earth type of person. He is an incredible father to his daughter. It would be very considerate of you to consider granting Mark for this license so he can excel and continue doing well for himself. Thank you for your time
