BACKGROUND

The property located at 1709 E. Wisconsin Avenue is currently developed, but unoccupied. The property was most recently used as a bar/nightclub known as the Fire Alarm.

STAFF ANALYSIS

St. Joseph Cemetery has an option to purchase the property located at 1709 E. Wisconsin Avenue and proposes to rezone the property from C2 Commercial District to P-I Public Institutional District. At this time the applicant has not submitted a redevelopment plan for the site. However, if the site is used for cemetery purposes, a Special Use Permit is required. In conjunction with the rezoning of this, St. Joseph Cemetery is also requesting to rezone their current site to the P-I District to make it consistent with the *Comprehensive Plan 2010-2030* Future Land Use designation which is Public/Institutional. The purpose of the Public Institutional District is intended to provide for public and institutional uses and buildings.
