To Whom It May Concern,

I would like to amend my liquor license to include my parking lot (approximate sq. footage = 100 x 100 sq ft) for Mile Of Music Festival weekend. The dates are Thursday, August 4 through Sunday, August 7.

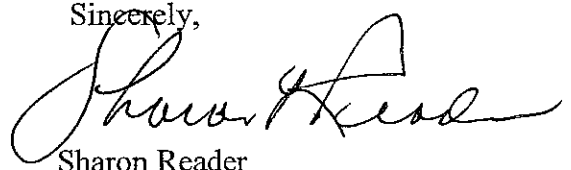

We will have plenty of staff and security scheduled for this event. We plan to have this area fenced off. We will not be allowing anyone under the age of 21 into this area. We will have plenty of Port-a-Potties available.

I have already discussed this with Dave Willems with the Mile of Music venue and he is on board. I have gotten permission from my landlord and surrounding business and neighbors to hold the event outside.

If this is any more information you would need, please call me at 920-378-3697.

Sincerely,

☐
