I received your Feb. 19, 2020 letter informing me that my residential apiary permit application has been denied.

I hereby appeal this decision. Please let me know the day and time the Board of Health will be able to hear this matter. I respectfully ask that this be taken up at the Board's earliest convenience.

Attn: Steve Kihl or Kurt Eggebrecht

Dear Steve or Kurt,

As you know, my Appleton apiary application is active and now pending appeal before the Board of Health. I will wait to hear more details about when or how my appeal can be heard.

In the meantime, out of an abundance of caution, I am providing you with copies of a couple of additional documents in case they might be helpful or necessary for my apiary application.

- One document is a copy of the Warranty Deed for my home, confirming that I and my wife Katherine A. Jensen own the property where the hive will be located. (Our address, 1721 E. Paloma Ct., corresponds to the Parcel ID No. 311830406 shown on the Deed.)
- The other document is a recent bill from the Appleton Post-Crescent, confirming that I occupy the property where the hive will be located.

If you could please place these documents in my application file, it would be much appreciated.

I look forward to hearing more about how or when my appeal can be heard in the near future.

With best regards,

Stephen C. Jensen
