RE: Action: Request Approval of Updated Parks, Pavilions and Special Areas-Rental & Fee Schedule Policy

The Parks, Recreation & Facilities Management Department along with the City Attorney's Office have updated the Parks, Pavilions and Special Areas-Rental & Fee Schedule Policy to include the new alcohol in the parks policy adopted by the Common Council in 2015. It states that permission for the consumption of alcoholic beverages is automatically granted with a paid Facility Reservation Agreement.

In addition, some ambiguous language was cleaned up for clarification and easier understanding for the renters of park facilities. If any member of the community has questions on the alcohol policy, we have included a link on the Parks & Recreation website and Facebook Page to the website of the Police Department for them to get further information on applying for a permit.

Please contact me at 832-5572 or dean.gazza@appleton.org with any questions.
