

## FOR IMMEDIATE RELEASE

### Public Health Emergency COVID-19 Alert

#### Very High COVID-19 Activity Levels – Take Action to Stop the Spread

City of Appleton, City of Menasha, Calumet, Outagamie, and Winnebago County Health Departments

Very high levels of COVID-19 cases are resulting in increased COVID-19 related hospitalizations and deaths. Public health officers are issuing a **Public Health Emergency COVID-19 Alert**. Due to escalation in cases, public health is not able to notify positive cases and their close contacts in a timely manner. This severely limits efforts to contain the virus. Hospitals are enacting emergency plans. Public health implores everyone to take actions to stop uncontrolled community spread.

#### Take Action Now - Stop the Spread

- Physically distance at least 6 feet from people with whom you do not live.
- Wear a cloth face mask, unless unable to wear one for medical reasons.
- Wash your hands frequently with soap and water or use hand sanitizer with at least 60% alcohol.
- Indoors, do not gather with people outside of your household.
- Outdoors, limit gatherings to 10 people or fewer, physically distance and wear face coverings.
- Self-monitor symptoms of COVID-19 for 14 days after return from travel.
- If symptomatic, call your health care provider, [get a test](#), and stay home while awaiting results.
- Cooperate with public health officials if you have tested positive or are a close contact.

During this very high rate of transmission of COVID-19, we encourage the following strategies as found in the Wisconsin Department of Health Services [COVID-19 Data and Mitigation Strategies to Aid Local Communities](#).

**Businesses and community organizations** use [WEDC Guidelines](#).

**Community Gatherings:** Do not hold indoor gatherings. Limit outdoor gatherings to 10 people or fewer; physically distance and wear face coverings.

**Restaurants, Bars:** Offer take-out, curbside pick-up or delivery only. Close indoor bars.

**Salons, Spas, Gyms:** Provide minimum operations only.

**Offices, Workplaces:** Keep only essential workforce on-site; symptom monitor; use precautions.

**Grocery Stores, Pharmacies:** Remain open, with no dine in, self-service or customer dispensing.

**Retail:** Use mail delivery and curbside pick-up options. Limit the number of patrons who enter.

**Hotels, Lodging:** Use strict sanitation protocols.

**Concerts, Festivals, Sporting Events:** Do not hold these events at this time.

For more information on cases in your area and COVID-19 recommendations, visit your local health department's website.
