**Re:** Parking changes near Huntley Elementary School  
*Follow-up to Six-Month Trial Period*

At the beginning of this school year, the Traffic Section initiated a six-month trial to create & modify a number of parking restrictions in the area near Huntley Elementary School.

Thus far, we have not received any complaints or correspondence from the neighborhood. Additionally, the school would prefer to keep the changes as-is. Our observations would suggest the changes have improved traffic flow and safety.

Based on this, I recommend enacting the permanent ordinances as designated in the six-month trial period.

**To accomplish this, the following ordinance action is required:**

1. **Create:** “Stopping, standing and parking be prohibited, except for buses, 7:30 a.m. to 10:45 a.m. and 2:30 p.m. to 4:00 p.m. on school days on the north side of Marquette Street from Ullman Street to a point 370 feet east of Ullman Street.”
