

# CITY OF APPLETON

## MEMORANDUM

**Date:** 3/4/26  
**To:** Municipal Services Committee  
**From:** Connor Deeg, E.I.T, Traffic Engineer  
**Subject:** Request to Approve Parking changes on the 1700 Block of E. Orchard Blossom Dr  
(*follow-up to a six-month evaluation*)

---

In response to a citizen's concern, the City's Traffic Section reviewed the student pick up and drop off behavior near the intersection of Orchard Blossom Dr and Telulah Av.

Based on the initial review, it appeared the creation of a *No stopping/Standing/Parking* zone was warranted for safety concerns on the north side of Orchard Blossom Dr to the east of Telulah Av. This change was implemented at the start of September of 2025 as a staff-initiated six-month evaluation.

This arrangement has had the desired effect, and the Traffic Section has not received any feedback from the community. Based on this, it is recommended the changes be made permanent.

To accomplish this, the following ordinance change is necessary:

1. **Create** "No stopping, standing, or parking on the north side of Orchard Blossom Drive from Telulah Avenue to a point 47 feet east of Telulah Avenue."
