Attachments: [Resolution Outagamie Cty Landfill.pdf](#)
[Map of proposed Northwest Landfill.pdf](#)

Croatt moved, seconded by Dannecker, that the Report Action Item be recommended for approval. Roll Call. Motion carried by the following vote:

Aye: 4 - Croatt, Coenen, Konetzke and Dannecker

Excused: 1 - Martin

[18-0133](#)

Appleton Street, from 200' south of Lawrence Street to College Avenue, be reconstructed with concrete pavement and curb and gutter to a width of 45' from back of curb to back of curb. The reconstruction of Appleton Street will implement concepts from the approved Downtown Mobility Study. Appleton Street will be converted from its existing one-way, southbound only designation, into a two-way street. The new, two-way, Appleton Street will consist of 1 travel lane, in each direction, bike lanes along both sides of the street, and dedicated turn lanes at Lawrence Street and College Avenue. On-street parking along this portion of Appleton Street will be eliminated as part of this reconstruction project. An indented loading zone will be constructed adjacent to Houdini Plaza.
