Subject: Extending Pod permit

Hello Paula. Thanks for getting back to me this morning. My husband and I are looking to extend our Pod permit 2 more months past our original permit that is just going to cover the month of August. Do to situations that be and supplies coming in later than expected, do to Covid, our lumber/trusses for our new garage are coming in 2 months later than originally quoted. So we will need to keep all of our garage items in the Pod till new garage is standing. We live at 1119 W Lawrence St, Appleton, WI 54914. Since we are tarring out the old driveway, old garage and slab there is no where else to put the Pod besides the road in front of our house. It is currently parked directly in front of our home and we've purchased 6' reflective stripping that we placed on all 4 corners of the Pod. Let me know if you have any questions or concerns for me or if I can provide any additional information.
