As a casual observer between subject and lens, Graham Washatka revels in capturing the indomitable human spirit – reflected in a throng of frenzied music fans or magnified by a solemn moment of community solidarity. Graham is a Fox Valley based photographer whose keen eye is often called on to catalogue downtown events, music festivals and weddings. His photos have appeared in numerous regional publications, websites and ad campaigns. Presented here are a few of his favorites from an extraordinary catalogue of work. To learn more about the artist and why these candid moments move him scan the QR code.
