

## MEMO

---

*"...meeting community needs...enhancing quality of life."*

**TO:** Utilities Committee

**FROM:** Paula Vandehey, Director of Public Works *PAV*

**DATE:** May 27, 2021

**SUBJECT:** Approve update to Municipal Code Chapter 20, Article II Water Utility, creating new Section 20-42 Valving.

---

The Department of Public Works requests approval to create a new Section 20-42 Valving to Municipal Code Chapter 20. The existing Section 20-42 Private Water Wells will become a new Section 20-43. This request is to clarify under what circumstances triple valving will be required for new and redeveloped commercial properties.

*Sec. 20-42 Valving*

*All new and redeveloped commercial properties planning to install a fire service line or combination fire/domestic service line shall be triple valved to provide continuous water supply during a watermain break or other discontinuance of service, unless this requirement is specifically waived in writing by the Director of Public Works.*
