MEMORANDUM

Date: 10/07/2024
To: Municipal Services Committee
From: Pete Neuberger, Deputy Director of Public Works
Subject: Approve Bell Avenue Asphalt Reconstruction Design

The Department of Public Works (DPW) requests approval of the design parameters for Bell Avenue between Summit Street and Richmond Street as follows:

Bell Avenue is to be reconstructed with asphalt pavement and concrete curb and gutter between Summit Street and Richmond Street. Design parameters include:

- New asphalt pavement and concrete curb and gutter constructed to a width of 26' from face of curb to face of curb, which is 3' narrower than the existing street within this portion of the project.
- On-street parking to be prohibited along the south side of Bell Avenue.
