RE: Action: Request Approval of Reid Golf Course 2026 Rates Policy

Attached is the proposed 2026 Reid Golf Course Rates Policy that outlines the daily fees and pass rates for 2026.

The proposed 2026 golf rates include increases for some greens fees and the business annual pass. Annually staff reviews Reid's fees and compares them to other courses in the Fox Valley. Increasing some fees will assist with offsetting increased costs for operations and utilities, credit card fees and capital improvement projects.

Staff is recommending that the super twilight rate be removed. Demand for play has increased, causing no need for tiered pricing.

The Parks and Recreation Department is requesting approval of the 2026 Reid Golf Course Rates Policy at this time to begin planning for the 2026 season.
