Elections

Business Unit 14550

### PROGRAM MISSION

For the benefit of the community, in order to ensure effective democratic decision-making, to maintain all election data and to respond to information requests, we will administer elections as required.

### PROGRAM NARRATIVE

#### Link to City Goals:

Implements Key Strategies #1: "Responsibly deliver excellent services", #2: "Encourage active community participation and involvement", #3: "Recognize and grow everyone's talents", #4: "Continually assess trends affecting the community and proactively respond", #6: "Create opportunities and learn from successes and failures" and #7: "Communicate our success through stories and testimonials".

#### Objectives:

- Promote use of the state's MyVote website for online voter registration and absentee ballot requests.
- Utilize the City's website for additional voter outreach and education.
- Provide effective training for all election inspectors.
- Streamline and organize polling place procedures and materials.
- Effectively assist local candidates.
- Continue to enhance efficiencies in election administration.

#### Major Changes in Revenue, Expenditures or Programs:

The budget for this program fluctuates from year to year based on the number of elections to be held. 2025 is a two-election year requiring less staffing and supplies for election administration than in 2024. However, to save for equipment repairs and replacements, this budget includes an increase in the Equipment Repairs/Maintenance account. Our Badger books will be over 5 years old in 2025 and our hardware model is no longer available or supported for use as electronic poll books. A phased product replacement plan that begins in 2025 will ensure that our hardware remains available and functional to support election day activities.
