

Kurt,

Hi my name is Mike Pokwinski I talked to you about parking our boat next to the garage at our new house. Here is some pics if you need more just let me know. Also what should I all have ready for the alderman? I have to work so my wife will have to do it. I already talked to our neighbor and he is fine with whatever we choose, in the pics that little picket fence my neighbor has is basically the lot line. So I have over 10ft and will only need about 8.5 feet. I am definitely going to make it look nice and not a eye sore, we just moved and really don'

t have thousands of dollars to spend on something I can make look just as nice for hundreds. Thanks again and let me know if you need anything else, and what was the time and date for the alderman meeting and do I need to make a appt or just show up?

Mike Pokwinski
