Subject: Homeowner Support - Regarding Mixed Use on Packard & Richmond St.

Hello,

My name is Ana, and I am writing on behalf of my husband and I, who are homeowners at 729 W Packard St., going on 15 years.

We want to express our full support for the mixed-use development that might be built on the previous VFW parking lot on the corner of Packard and Richmond Street.

It is my understanding that the owner of Richmond Terrace now owns this property as well. We have always known Richmond Terrace to be a well maintained building throughout, and we have no concerns that this potential development will be an asset to this older neighborhood.

We enjoy seeing all of the mixed-use developments going up, but agree that the city needs even more housing options and opportunities for neighborhood-friendly businesses. Please keep expanding this downtown lifestyle throughout our older neighborhoods! This location is such a gem being so close to the College Ave, and it's why we love it so much. We are eager to see it reach its fullest potential.

Thank you,
Ana Hauser
