**To:** Paula Vandehey  
**Subject:** Seating outside

Hi Paula,

I am interested in putting tables outside of my establishment, La Michoacana Bar & Grill so that my costumers are able to eat outside and enjoy the nice weather. If I am able to put seating outside I think it will help business out a lot more for the restaurant and attract more costumers. Please get back to me as soon as possible to get this set up.

Thank you,  
Pedro Juarez  
Owner and Operator of La Michoacana Bar & Grill
