Submitted by: William Siebers, District 1

Date: May 16, 2018

Referred to: Municipal Services Committee

**Whereas**, there are only 218 days left until winter, And

**Whereas**, the best time to deal with a problem is before circumstances force our hand, And

**Whereas**, with all winters we will once again need to deal with winter storms, which includes calling snow emergencies, And

**Whereas**, snow emergencies are exactly that, emergencies, And

**Whereas**, these emergencies are called to promote the most efficient removal of snow from our streets, and also to promote safety, And

**Whereas**, as common as it is to have snow storms in the winter it is also common for people to ignore the parking ban during the snow emergency, And

**Whereas**, the fine for parking on the street during the snow emergency is the same as a normal parking ticket and not likely a deterrent as we would hope,

**Therefore**, the fine for parking on the street during a snow emergency be

more reflective of the seriousness of the situation and be increased **to \$100.**
