At 1102 w Packard St, Appleton, WI 54914 John Prost's dog Bear was recently permanently removed from appleton. Over a year ago there was an incident with the neighbors dog, we took full responsibility, obtained a license, payed for the neighbors vet bill which we do have receipts for and obtained insurance

Bear resided in menasha, merely visited. We want to appeal, we are willing to do whatever needs to be done to allow Bear back in Appleton such as putting up a fence. Please let me know if this situation can be resolved. If not we will need to sell this house and move elsewhere which we would prefer not to do. Bear is a rescue and he has been put through training to work through these things as well.
