#4-R-14/Coenen -

“Whereas the City of Appleton is dedicated to meeting the needs of our community and enhancing the quality of life; and

Whereas the City of Appleton embraces and celebrates diversity and inclusion and hopes that community members will see Appleton as a welcoming and inclusive place to live, work and play; and

Whereas the practice of providing equal opportunities in housing, employment, public accommodations and city facilities to persons without regard to age, color, family status, gender identity and/or gender expression, marital status, national origin/ancestry, race, religion, color, persons with disability, sex, sexual orientation, source of lawful income or victims of domestic violence, sexual assault or stalking is a desirable goal of the City of Appleton and a matter of legitimate concern to its government; and

Whereas, discrimination against any of Appleton’s residents or visitors endangers the rights and privileges of all;
Therefore be it resolved by the Common Council of the City of Appleton, that an ordinance be created and adopted to render discrimination in employment and public accommodations unlawful. Language of the ordinance shall include:

- That the City provide, within constitutional limitations, for equal employment opportunity and equal access to public places throughout the city regardless of age, color, family status, gender identity and/or gender expression, marital status, national origin/ancestry, race, religion, color, persons with disability, sex, sexual orientation, source of lawful income or victims of domestic violence, sexual assault or stalking.
