**FOR IMMEDIATE RELEASE**

**August 17th, 2023**

**City of Appleton Announces Construction Project Impacting City Center Access**

APPLETON, Wis., August 17th, 2023 - The City of Appleton announces updates on the Fox Commons construction project that is expected to commence on or around August 22. However, this project will have temporary impacts on access to certain areas. The project is part of the city's continuous efforts for the vitality of downtown Appleton and create a better experience for the residents and visitors.

Starting on or around August 22, the demolition phase of the project will commence, followed by subsequent renovations. Key Information:

- **Start Date of Demolition:** The construction staging and demolition activities are estimated to begin on or around August 22. During this phase, certain access points will be temporarily closed for safety reasons.
- **Impact to Oneida St / Alley to Finance Customer Service window:** During the demolition phase, the alley will be closed at least through October, with the exception of days surrounding utility due dates. The alley will be open: September 18<sup>th</sup>-20<sup>th</sup>, October 19<sup>th</sup>-20<sup>th</sup>, and October 30<sup>th</sup>-November 1<sup>st</sup>.
- **Impact on Interior Access:** The City Center Plaza (CCP) will be closed to public traffic, as all fire doors leading into CCP will be closed. This closure will prohibit any access to or through CCP, including the interior access from the Yellow Ramp to City Center West (CCW), which includes City Hall. We apologize for any inconvenience caused and assure you that this measure is essential to maintain a safe and secure construction zone.
- **Walkway Accessibility:** Pedestrian access through City Center West (CCW) will remain available throughout the construction period. We anticipate that there will be no impacts to the CCW entrances adjacent to Appleton Street and College Avenue sidewalks.

The city is committed to minimizing disruptions and completing the construction project efficiently. As the project progresses, more updates would be shared.
