

# COMMUNITY DEVELOPMENT INVESTMENT GRANT

## BUILDING VIBRANT COMMUNITIES IN WISCONSIN

The Wisconsin Economic Development Corporation's (WEDC's) **Community Development Investment (CDI) Grant Program** helps transform communities by funding projects that mobilize people and resources to inspire positive and substantive local development.

### How it works

The CDI Grant Program will support urban, small city, and rural community (re)development efforts by providing financial incentives for catalytic shovel-ready projects with emphasis on, but not limited to, community-driven commercial corridor efforts. The maximum grant amount is generally \$250,000. Grant recipients must provide a minimum 3:1 matching investment in project costs; projects located in a designated economically distressed community, a Development Opportunity Zone, or a rural community must provide a minimum 1:1 matching investment. Additionally, a project where a key component is to provide child care services or expand housing availability may also be approved by WEDC to provide 1:1 matching funds.

### Eligibility requirements

- Development of a significant destination attraction
- Rehabilitation and reuse of an underutilized or landmark building
- Infill development

- Infrastructure efforts providing substantial benefits to downtown residents/property owners
- Mixed-use development
