FOR IMMEDIATE RELEASE

August 17th, 2023

City of Appleton Announces Construction Project Impacting City Center Access

APPLETON, Wis., August 17th, 2023 - The City of Appleton announces updates on the Fox Commons construction project that is expected to commence on or around August 22. However, this project will have temporary impacts on access to certain areas. The project is part of the city's continuous efforts for the vitality of downtown Appleton and create a better experience for the residents and visitors.

Starting on or around August 22, the demolition phase of the project will commence, followed by subsequent renovations. Key Information:

- **Start Date of Demolition:** The construction staging and demolition activities are estimated to begin on or around August 22. During this phase, certain access points will be temporarily closed for safety reasons.
- **Impact to Oneida St / Alley to Finance Customer Service window:** During the demolition phase, the alley will be closed at least through October, with the exception of days surrounding utility due dates. The alley will be open: September 18th-20th, October 19th-20th, and October 30th-November 1st.
- **Impact on Interior Access:** The City Center Plaza (CCP) will be closed to public traffic, as all fire doors leading into CCP will be closed. This closure will prohibit any access to or through CCP, including the interior access from the Yellow Ramp to City Center West (CCW), which includes City Hall. We apologize for any inconvenience caused and assure you that this measure is essential to maintain a safe and secure construction zone.
- **Walkway Accessibility:** Pedestrian access through City Center West (CCW) will remain available throughout the construction period. We anticipate that there will be no impacts to the CCW entrances adjacent to Appleton Street and College Avenue sidewalks.

The city is committed to minimizing disruptions and completing the construction project efficiently. As the project progresses, more updates would be shared.

Resolution#12-R-23

Resolution to Close Whitman Yard Waste Site

Submitted By: *Aldersperson Doran – District 15*

Date: *November 15, 2023*

Referred To: *Municipal Services Committee*

Whereas the City of Appleton is one of the only communities to provide two yard waste sites for residents; and

Whereas the services offered at the Whitman yard waste site are a duplicate of services offered at the Glendale yard waste site and the Outagamie County solid waste and recycling center; and

Whereas the closure of the Whitman site is able to be absorbed at the Glendale yard waste site with no loss in service to residents; and

Whereas closing the Whitman site will save the city more than \$50,000 each year in operational costs; and

Whereas closure of the Whitman site can alleviate storage issues for both materials and equipment for the Department of Public Works immediately and in the future, while also providing additional savings in lower fuel costs and efficiencies in productivity and time savings for operations;

Now Therefore Be It Resolved that the Appleton Common Council directs the Department of Public Works and relevant city departments to execute the closure of the Whitman yard waste site through the 2025 budget process, and carry out necessary steps in 2024 to effect this change in the 2025 budget.
