

## SOLE SOURCE REQUEST

The undersigned certifies that the commodity/service shown below qualifies as a sole source request and meets one or more of the following requirements. The department has demonstrated, and the Purchasing Manager concurs that only one source exists, the price is equitable, and/or noncompetitive negotiation is in the best interests of the City.

- ☐ **Unique, proprietary, or one-of-a-kind:** Specific commodity/service is required and available from only one source, giving the City a superior and necessary benefit that cannot be obtained from other sources.
- ☐ **Inadequate competition:** Purchasing solicitation (bid, proposal, or quote) did not result in any qualified vendor responses and competition is determined to be inadequate.
- ☐ **Health or Safety Concern:** When a health or safety concern exists that is ***not*** an immediate threat but needs to be addressed in a period that does not allow for formal competitive procurement procedures.
- ☒ **Continuity of design: Consistency** with current commodity or service.
- ☐ **Emergency procurement:** A risk of human suffering or substantial damage to real or personal property exists requiring immediate attention.
- ☐ **Cooperative purchase:** Purchase from another governmental unit contract or state approved purchasing association.
- ☐ **Other: Description** provided below

Compatibility of radios currently used that will be redistributed to CSO / internal use.  
Compatibility with radios used by Outagamie County.  
Other radios previously tested do not meet the requirements for department use.
