Re: Recommended award of the *Unit Q-14* Pavement Marking Maintenance Contract (Paint)
Transverse Paint Markings such as Parking Stalls, Crosswalks and Stop Lines

Quotes were opened for the *Unit Q-14* Pavement Marking Maintenance Contract on June 23, 2014, as a means of establishing unit prices for this annual maintenance contract, which generally involves the painting of parking stalls, crosswalks and stop lines in the City.

While quotes were solicited from four companies, only one quote was received. Crowley Construction Corp. of Wauwatosa, Wisconsin, submitted the low quote in the total amount of \$38,675.70. We consider the unit prices contained in the quote reasonable and consistent with prices received in previous years and within industry norms. Crowley has completed this type of work for the City in recent years with excellent results.

Based on this, we recommend award of the contract to Crowley Construction Corp. in the amount of \$38,675.70 plus a \$5,000 contingency. This dollar amount is based on available budgeted funds for pavement marking maintenance (17022 Account), as well as pavement marking maintenance to be completed for the Parking Utility (5121 Account).
