This event is targeted at elected officials, municipal staff and non-profit organizations who desire to learn more about the critical role that 'neighborhoods' play within our communities. Learn about current neighborhood planning and revitalization efforts from within the region. Hear about new successful partnerships that are seeking to stabilize neighborhoods through capacity building. Meet and hear from non-profit sector individuals on how your community can leverage resources to conduct/enhance neighborhood planning.

		12:00 Noon ADJOURN

Our keynote speaker will be Mr. Tom Mosgaller, M.S., who has over 25 years of experience in organizational and community development as a manager, teacher, and consultant to the public, private, and nonprofit sectors. Tom's passion lies in assisting communities, organizations, and individuals to come together to create great places to work, learn, and grow. Tom's presentation will focus on 'neighborhoods' using his vast experience in working to build broad based citizen organizations in both urban and rural communities of the U.S., including leading organizational change initiatives for the City of Madison and UW-Madison.
