SUBJECT: Yard Waste Sites

The City of Appleton closed our yard waste sites as part of the Governor's Safer at Home Order. Now, with the new Orders, staff is recommending the following:

1. We open both yard waste sites effective May 1st with our regular schedule of Friday through Monday from 9:00 am to 6:45 pm.
2. We open the sites for yard waste only because that is FREE so staff will not have to handle cash and can maintain distancing.
3. We will not accept grass clipping (\$4 per bag), Freon appliances (\$20 each), etc. until further notice.

Thank you for your consideration.
