April 15, 2016

Members of the Common Council:

The following is being presented for your confirmation at the April 20 Council meeting:

BOARD OF ZONING APPEALS

Appointment of one (1) member to fill the term vacated by Jeff Lutz to become the Alternate:

SCOTT ENGSTROM
3-year term to expire May 2018

Scott Engstrom is an Appleton native currently working as an attorney at the firm of Petit & Dommershausen, SC. Scott earned his B.A. in political science from the University of Minnesota – Twin Cities. Immediately following his undergraduate studies he attended Penn State Law, where he graduated with his Juris Doctor degree in 2013.

After graduating law school he clerked for a trial level judge in Pennsylvania. The scope of his duties involved researching and drafting memoranda and legal opinions on a variety of legal topics, including appeals from local land use/zoning boards. These opinions required analysis and research in the areas of first amendment issues, variances, and zoning violations. Scott’s interest in the Appleton Board of Zoning Appeals stems from the unique challenge and opportunity that issues relating to zoning offer. He feels these issues are highly localized, offering him the opportunity to interact with his community, and implicate a City’s vision for itself as well as well-established legal principles.

Scott’s organizational memberships include: the American Bar Association, the Maryland Bar Association, USA Hockey, the Appleton Area Hockey Association, the Fox Valley Young Lawyers Association, the State Bar of Wisconsin, and the Outagamie County Bar Association. Scott is also a supporter of the Multiple Sclerosis Association of America and the American Foundation for Suicide Prevention.

It is with pleasure that I make this recommendation.

Sincerely,

TIMOTHY M. HANNA
Mayor of Appleton
