February 27, 2014 Safety & Licensing Committee Meeting - City Clerk Report:

 We completed the February 28, 2014 Spring Primary & Referendum Election with a 17% voter turnout equating to 6,976 voters. We are working on entering the voter participation and voter registrations into the Statewide Voter Registration System (SVRS). The canvass will be conducted on Monday, Feb. 24<sup>th</sup> after the 4:00 p.m. Friday, Feb. 21<sup>st</sup> deadline for all absentee ballots to be delivered USPS to the municipal clerk and containing a postmark by Election Day.

I am also working on setting up the contests and candidates into the Election Services & Systems (ES&S) portal in preparation for the April 1 Election. Due to the primaries, some of the information required to be entered has been delayed due to statutory requirement to wait three days after the completion of the municipal and county canvasses to certify the candidates on the ballot. Outagamie County will draw for name placement on the ballot for our County Board Supervisor District 3 on Monday, March 3. Those candidate names will be provided to me after the drawing takes place and then I can enter them into the system and a ballot proof will be provided to me. As you can see, I am working against a tight timeframe between the February and April Election to enter the information into the two systems, both ES&S and SVRS, in preparation for proofing the ballots and the turnaround time for printing the ballots and then meet the March 11th deadline for municipal clerks to send absentee ballots to electors with valid requests on file.

2. The Annual 2013 Special Events Report is attached. It contains a rundown of the expenses for the year. Page two contains some comparisons to prior years and breakdowns by size of event.

Granicus Citizen Traffic Report for January 2104 is listed below. CITIZEN TRAFFIC REPORT for <a href="http://cityofappleton.granicus.com">http://cityofappleton.granicus.com</a>
