Hi Brenda,

I have been giving this a lot of thought, and have come to the conclusion that it will be best for everyone for me to step down from my position on the committee. I am getting more and more freelance projects, so will have less time and flexibility of schedule, and it is possible I will be moving back to VA by the end of the year or early next. Since I feel it is unlikely I will be in the area for the remainder of my term, it seems better to let you all know now rather than later!

I do apologize for any inconvenience this will cause, and wish everyone the best going forward.

Good morning –

We have changed the meeting frequency of our Appleton Public Arts Committee from quarterly back to monthly with the understanding that it is easier to have the meeting scheduled in everyone's calendars and cancel it than to call special meetings. At the same time, our meetings will not necessarily occur every month as there may not be matters to discuss. We will send out cancellation notices for meetings that are not needed.

Therefore, our meeting dates/times are back to the 1<sup>st</sup> Tuesday of the month at 7:45 a.m. Those remaining dates for the year are September 3, October 1, November 5, and December 3. Please get these dates on your calendars. We will not have all the information for the Acre of Art project in time for the August meeting.

If you have any questions or concerns, please let us know.

Thank you!
