Paula Vandehey
Director of Public Works
100 N Appleton Street
Appleton, WI 54911

Dear Ms. Vandehey:

This is to notify you that your request for a noise variance for the WIS 441/Appleton Road Interchange Project will be on the November 5th, 2014 Board of Health agenda. The meeting is held at 7am in City Hall on the 6th floor, Room 6A/B

It will be important for you to attend this meeting so that your request can be made and any questions from the Board could be addressed.

If you have any questions, please feel free to call me at 832-6429.

Sincerely,

Kurt Eggebrecht, M.Ed., MCHES
Health Officer

MEMO

TO: Kurt Eggebrecht, Health Office

FROM: Paula Vandehey, Director of Public Works *PAW*

DATE: October 24, 2014

SUBJECT: Noise Variance Request for WIS 441/Appleton Road Interchange Project for construction year 2015.

The Department of Public Works, in conjunction with the Department of Transportation, requests a noise variance from March 1, 2015 through October 1, 2015 for night construction work on WIS 441. This work will include earthwork and paving operations as well as hauling of materials in and out of the work site. Night work will not include driving piles. Attached is a plan view of the limits of night work and an overall map of the 2015 construction schedule.

On September 17, 2014 the Common Council approved the State/Municipal Agreement (copy attached) for this road construction project, which included the following language:

"The Municipality agrees to waive any noise ordinances/restrictions pertaining to the construction of the WIS 441 Project, for the duration of the WIS 441 Project."

Approval of the Noise Variance Request by the Board of Health and Common Council will meet this requirement of the Agreement.

Please feel free to contact me with any questions you may have pertaining to this request.
