Paula,

Mr. Brosman would like to appear before the MSC on October 21 to have the \$75 fee waived for the non-compliant electronic removal at his rental property at 323 N. Bennett Street. I have attached the CSR and picture of the television.

Please let me know if you have any questions or if you need additional information.

Thanks!

Nate

Nate,

I spoke with you last week about the \$75.00 Non-Compliance Electronics Collection Fee I received for a rental property that I own at 323 N. Bennett Street. I would like to be put on the October 21 agenda for 2 reasons:

1. To ask that the fee be dismissed
2. To ask that the procedure for this policy be rewritten

Thank You,

David Brosman
