(Utilities Committee – 10/03/2018)

The Common Council of the City of Appleton does ordain as follows:

Section 1: That Section 20-239 of Chapter 20 of the Municipal Code of the City of Appleton, relating method of appeal, is hereby amended to read as follows:

Sec. 20-239. Method of appeal.

- (a) The Stormwater Utility charge may be appealed as follows:
 - (1) A written appeal shall be filed with the City Clerk prior to the utility charge due date; or
 - (2) Within thirty (30) days of payment, a written challenge to the stormwater charge must be filed with the City Clerk on behalf of the customer, specifying all bases for the challenge and the amount of the stormwater charge the customer asserts is appropriate. Failure to file a challenge within thirty (30) days of payment waives all rights to later challenge the charge.
- (b) The committee of jurisdiction will determine whether the stormwater charge is fair and reasonable, or whether a refund is due the customer. The committee may act with or without a hearing, and will inform the customer in writing of its decision.
- (c) The customer has thirty (30) days from the decision of the committee to file a written appeal to the Common Council.

(d) If the Council or the committee determine that a refund is due the customer, the refund will be applied as a credit on the customer's next quarterly stormwater billing, if the refund will not exceed the customer's next quarterly stormwater billing, or will be refunded at the discretion of the Director of Finance.

(e) The period for determining a refund pursuant to this section shall be limited to up to the customer's prior four (4) quarters of stormwater billings.

Section 2: This ordinance shall be in full force and effect from and after its passage and publication.
