Re: Parking changes related to Evergreen Dr urbanization project (Haymeadow to W City limits)

The *Evergreen Drive Urbanization Project* (from Haymeadow Avenue to the west city limits) was included in the 2019 budget and is currently under construction, with completion expected in late summer. This memo addresses the parking restrictions that are necessary to implement this Council-approved project.

The following ordinance action is required:

1. **Create:** "Parking be prohibited on Evergreen Drive from Haymeadow Avenue to the west City limits."
